SATCO|NUVO's East River Collection of Outdoor LED Smart Lanterns with STARFISH® technology are the sophisticated choice for smart lighting and ambiance control. Download the STARFISH® app to customize any tunable white color temperatures from 2700K warm white light to 5000K natural light, or choose from millions of colors on the RGB spectrum, all from your mobile device. Offered as hanging and wall lanterns, these outdoor fixtures offer durable black housing with clear water glass for a timeless look with modern amenities.

These elegant fixtures are also compatible with Siri, Alexa, Google Home, and SmartThings so they can be easily incorporated into your smart home.
