

# Merchandising Display Program

The simple, scalable smart lighting solution brought to you by SATCO®.

Combining Wi-Fi technology with superior LED products, **STARFISH**™ is more than a lighting solution, it's an immersive, connective experience.

The **STARFISH**™ Wall Mounted Merchandiser is lightweight and mounts directly to the wall. Four clear plastic shelves with mounting hardware included.

The **STARFISH**™ smart lighting counter display with LED video monitor, 4-product display and integrated literature dispenser, is a visually rich and engaging in-store presentation center.

*See a SATCO Representative for details.*
