ColorQuick™

Selectable Color Technology

The Slim Fit Downlight from SATCO|NUVO delivers an efficient LED solution with its sleek, low-profile design and smooth baffle for uniform light distribution and minimal glare. Offering a range of five color temperatures from 2700K to 5000K, you can customize your lighting environment to your preference. The downlight comes with a remote driver for easy installation and boasts IC and wet ratings for versatile use and safety. Ideal for various indoor settings in homes or multi-family residences, this downlight provides superior light quality with a high CRI of 90. Available in both 4" and 6" sizes, in round or square trims, these dimmable downlights provide a flexible lighting solution to suit your downlighting needs.
