ColorQuick

Selectable Color Technology

SATCO|NUVO's High Lumen, CCT Selectable PAR38 lamp is designed for versatile indoor and outdoor use. You can choose between a cozy 3000K warm light or a bright 5000K daylight at installation to achieve the desired ambiance. With a powerful 3000 lumens output, this lamp provides ample lighting, making it perfect for residential, commercial, hospitality, general lighting, recessed downlighting, and task lighting applications. Additionally, the wet location rating makes it ideal for outdoor flood lighting and landscape lighting.
