SATCO|NUVO's LED Cloud fixtures offer 5 CCT selectable technology and a high 90 CRI rating for exceptional, uniform illumination. Available in round or square designs with durable, non-yellowing PMMA lenses, they are rated for damp locations, making them ideal for various settings. Select models feature integrated microwave sensors for energy-saving, motion-activated lighting, while others are NEC-compliant for closet rated use, with some combining both features for a wide variety of applications. With clean designs that blend seamlessly into any space, these fixtures are available in 0-10V dimmable, 10% dimming, and non-dimmable options. Designed to last 50,000 hours, they provide a hassle-free solution for living rooms, bedrooms, offices, hallways, and more, enhancing both ambiance and functionality.
